Once upon a time, there were three bears that lived in a cottage in the woods. Their names were Baby bear, Mummy bear and Daddy bear. Near the woods, there lived a girl called Goldilocks. Goldilocks loved exploring the woods.

One morning, the three bears decided to go for a walk in the woods before having breakfast. That morning, Goldilocks was exploring the woods.

When Goldilocks was exploring she saw a little cottage. The cottage belonged to the three bears. She knocked on the cottage's door, but nobody answered. So she went inside.

Goldilocks was very hungry. She saw three bowls of porridge in the kitchen. First she tasted Daddy bear's porridge. This porridge was very hot. Then she tasted Mummy bear's porridge. This porridge was very cold. Finally she tasted Baby bear's porridge. This porridge was just right. So she ate it all up.

Then Goldilocks went to the living room. There were three chairs in the living room. First she sat on Daddy bear's chair. This chair was very big. Then she sat on Mummy bear's chair. This chair was also very big. Finally she sat on Baby bear's chair. This chair was just right. But while she was sitting the chair broke into pieces.

Goldilocks was very tired so she went to the bedroom. She saw three beds in the bedroom. First she lay down on Daddy bear's bed. This bed was very hard. Then she lay down on Mummy bear's bed. This bed was very soft. Finally she lay down on Baby bear's bed. This was just right so Goldilocks fell asleep on Baby bear's bed.

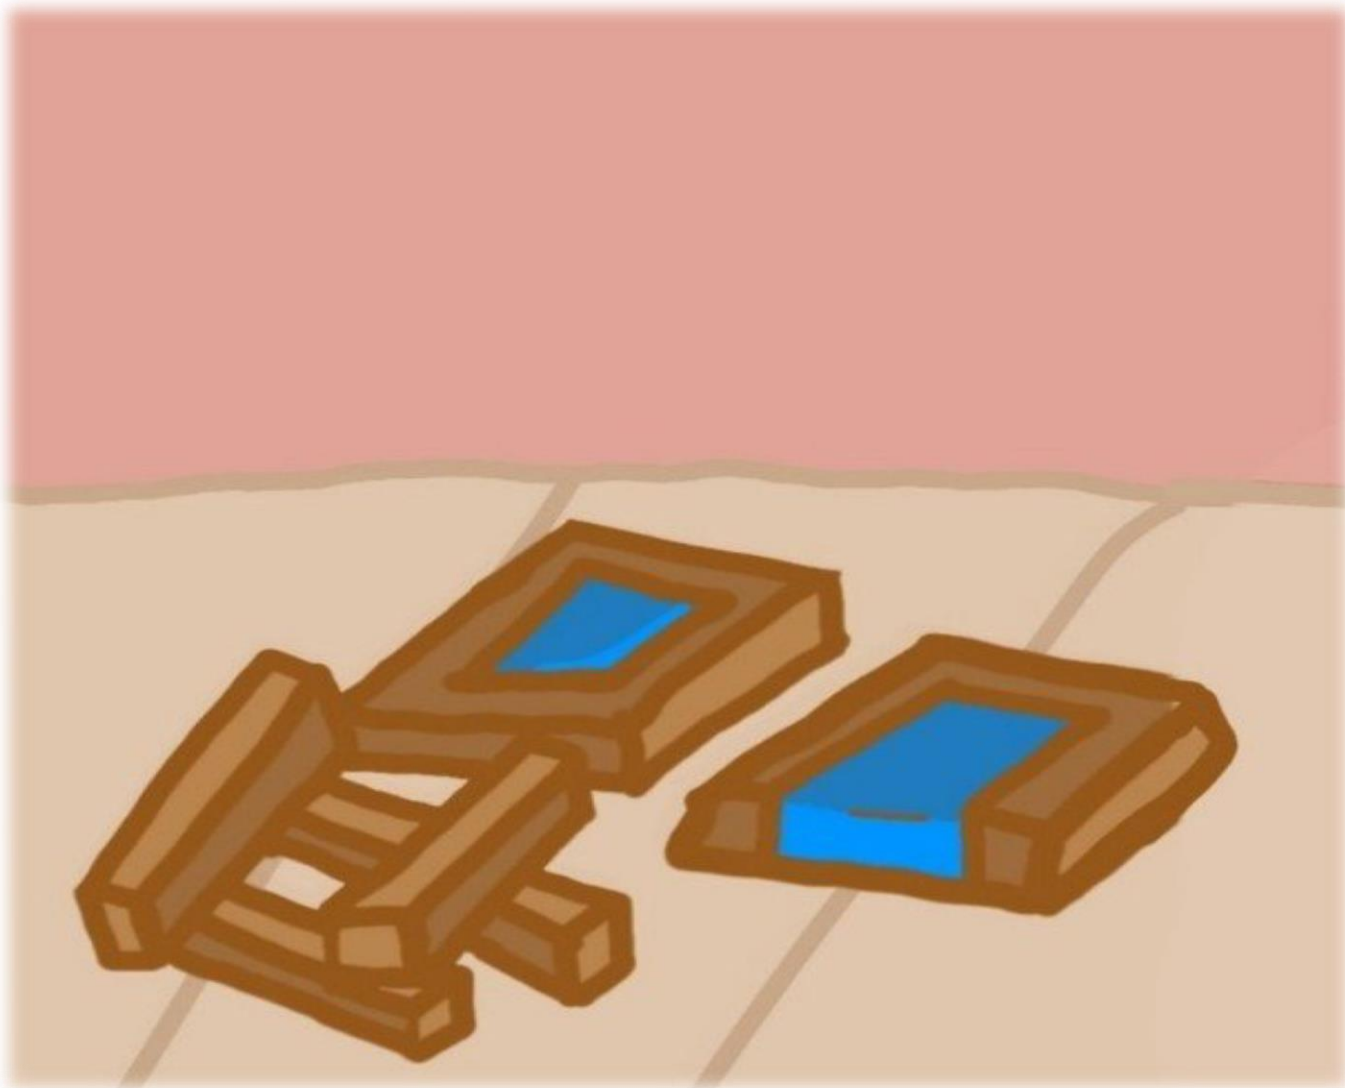

When she was sleeping, the three bears came home. First they went into the kitchen.

“Someone’s been eating my porridge!” said Daddy bear.

“Someone’s been eating my porridge!” said Mummy bear.

“Someone’s eaten all of my porridge!” said Baby bear and he started crying.

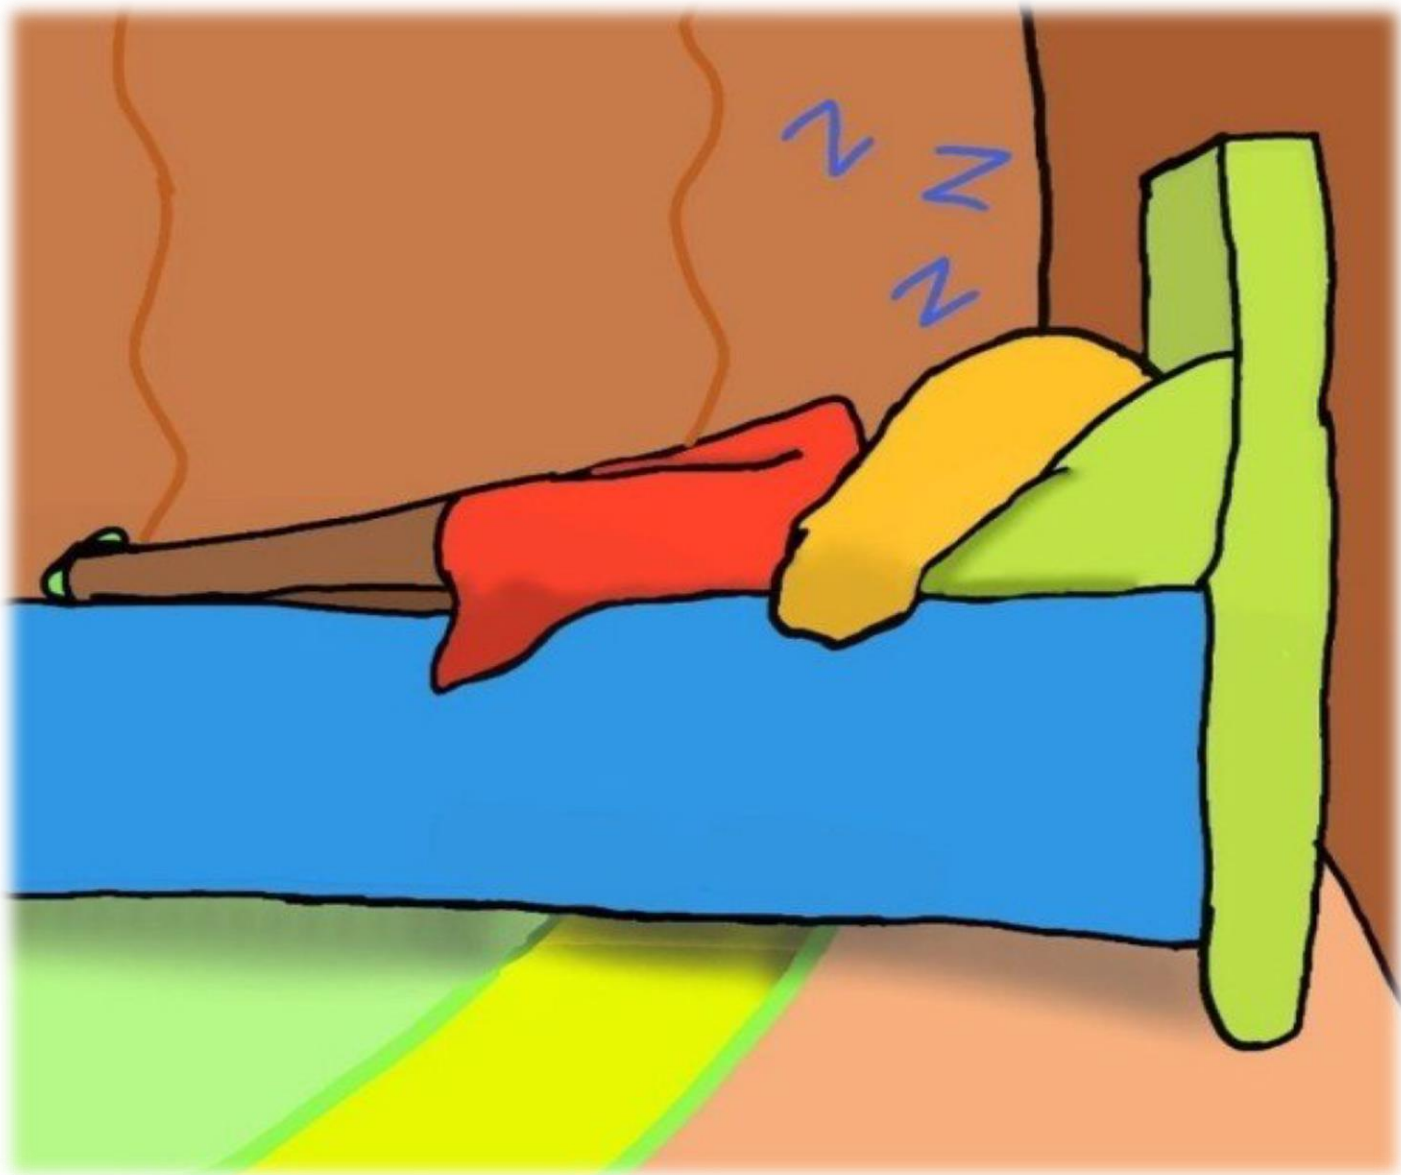

Then the bears went to the living room.

“Someone’s been sitting on my chair!” said Daddy bear.

“Someone’s been sitting on my chair!” said Mummy bear.

“Someone’s broken my chair!” said Baby bear and he started crying again.

Then the bears went to their bedroom.

“Someone’s been sleeping in my bed.” said Daddy bear.

“Someone’s been sleeping in my bed.” said Mummy bear.

“Someone is sleeping in my bed.” said Baby bear and he started crying again.

At that moment Goldilocks woke up and ran out of the cottage. Goldilocks never ever returned to that cottage.

Day 1

Extraordinary Journey

Keitha got up like any other kid to go to school. Her back was hurt, and she could hear birds chirping. She slowly opened her eyes, aided by a warm breeze from the creek. The sun, however, dazzled her eyes. She stood up from the cold stone floor. She was out in the woods. It was lovely, but she couldn't make out anything.

"WHAT HAPPENED TO HER? WHAT BROUGHT HER HERE?"

Something leapt from the bushes, a BUNNY!

Keitha was initially terrified. She realized she wasn't terrified after seeing the bunny. The bunny was adorable. She gradually moved her hand closer to the rabbit. The bunny was very combative, but it looks so perplexed. Keitha picked up the little leaf on the bunny.

-PUF!

In before of her eyes, the small girl saw the rabbit turn into a human. She was taken aback. She then collapsed to the ground. He was glamorous but unresponsive. He extended his hand to pick her up.

The girl introduced herself and explained how she came to be here.

 -My parents had been in this universe for a long time, and they broke some rules, therefore they were punished. When I experience any emotion, I turn into a rabbit. In addition, my name is Jadon.

 -Wow! that's incredible. It's great to meet you. I'm Keitha.

(THE TIME PASSES BY ...)

 -According to what you say, you came from a different universe.

 -It is possible. Do you know how to get home?

 -Yes, but the journey home is a little hard.

 -Can you join me?

 -Sure.

 -I didn't expect you to be persuaded so quickly.

 -I'd been wanting to go there for a long time.

 -So where are we going?

 -Can you see the rainbow over there? We have to go here.

 -What! Are we going to go the whole rainbow?

 -If we follow the legend, we will be there in four or five days.

The sun has set."The calmer the environment, the more dangerous it was." Keitha was lost in thought.

(The sounds scared me. I'm afraid. I was with someone, but Jadon was very friendly towards me).

Jadon and Keitha got tired and started looking for a place to rest. They finally found a place to rest. It was under a huge tree.

"When I opened my eyes, Jadon's huge and unresponsive face was in front of me."

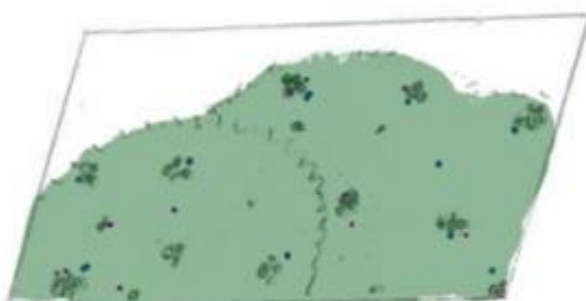

Day 2

-I-(her stomach growls)

-Let's find something to eat. Okay, but from where?

-Plaster your trouser legs.

-Hell no, I'm just kidding.

-There are snakes here.

-Let's pick some fruits instead.

-Okay.

Keitha wandered around to pick berries... She started to fill the basket in her hand with berries.

A SNAKE APPARED BEFORE HER!

-  -Watch out!
-  -Do you know how to use an arrow?
-  -Yeah I am good at archery. Did you fill your basket?
-  -Yes.
-  -Perfect! Now let's find some material.
-  -What material?
-  -We need the spear for you too. So -you need to collect branches. I'll take care of the rest.
-  -OK, Then let's do it!

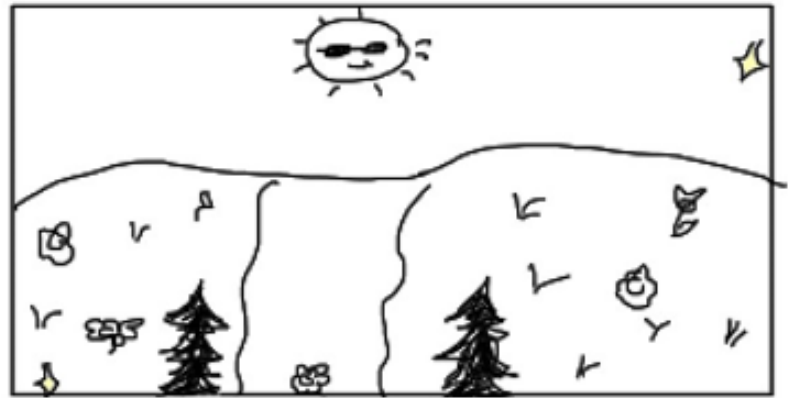

Although Keitha was very excited and energetic, she got tired very quickly. She did everything Jadon wanted. They made a small area for themselves to stay here for one night.

- Day 3
- Come on, wake up.
 - hm.. hm..
 - WAKE UP!!!
 - What time is it?
 - I don't know.
 - Uhh.. Will we go to the rainbow now?
 - Yes!
 - We need to be fast to catch the rainbow.
 - Why?
 - The weather is fine right now, but if there is fog we may lose our way.
 - No problem. I am a fast girl.

 -This is our first target.

 - This place looks pretty easy for the first target. We can handle it easily.

 -We are not going there....

 -Oh,are we going to the other side of the river?

 -No,We will go here

Slowly advancing
Keitha realized that
THE FOREST WASN'T ENDING!

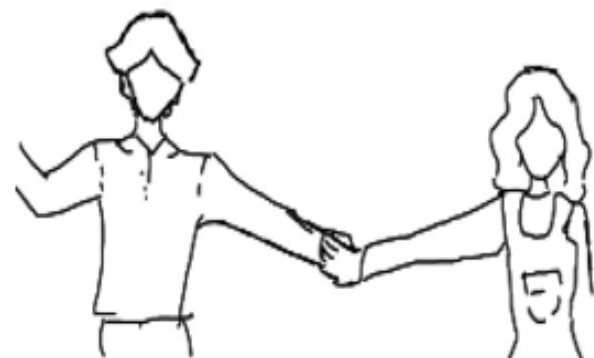

As if they were on an
endless journey. She
wanted to go home,
but all she could do
now was wait

You have to be careful
entering here. It's dark
enough here to see nothing
and quiet enough to drive
people crazy.

They entered the forest,
walking slowly, holding hands
so as not to get lost. As a
result of a sudden foot slip,
they both landed in different
places.

It was impossible to stay
calm when such strange
things were happening.
Everything happened
suddenly, and it was
annoying.

Keitha's shout had woken up the whole forest. Also, Keitha had a nosebleed. It would make her more attracted to these creatures. They are looking for each other while still trying to stay quiet in the dark fog. They were in a rush but found each other before long. Jadon gave her a spear to defend herself.

(A CREAK WAS HEARD)

 -Run

 -What??

 -RUN!!

And they started running at once. Jadon was worried because behind them was a huge shadow of a wolf! But they could not see the way and they were constantly colliding with the branches. Finally, they found a place to hide, and Jadon threw away the first stone he picked up to get the wolf's attention.

A thorn pricked Keitha's hand and she flinched, attracting Jadon's attention. He took out a bouquet of thorns with the pointed tip of the spear in her hand. When it fell to the ground, it suddenly opened up and a flower like a plant came out of it.

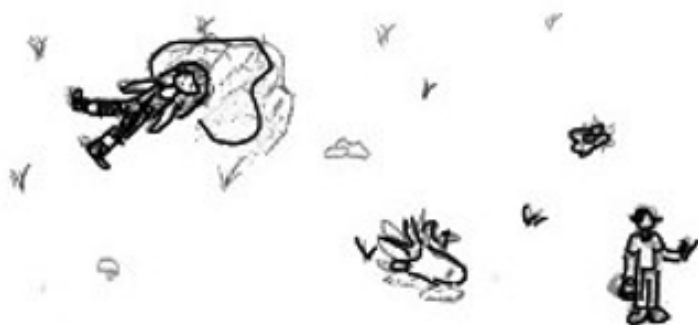

JADON SAID QUIETLY;
we are on the right track. Let's go that way.

They walked away slowly and silently from where they were. And they finally found a place to stay while walking with tired steps.

Keitha falls asleep as soon as she puts her things away. Jadon was looking around. But after a while, his eyes closed to and they both fell into a deep sleep.

Day 4

It was morning, and Jadon went to find a snack. One of the best things to drink in the morning was tea, so he was looking for flowers for tea.

Salvia officinalis tea was one of the best herbs to make Jadon come back as a rabbit with wet eyes after picking the herbs.

On the way, he found an egg of one of the giant chickens, and after breaking the eggs and brewing tea, Keitha woke up and they ate together.

 -Did something happen?

 -I'm sorry, what?

 -I said, What happened?

Keitha keeps asking and
Jadon gets angry.

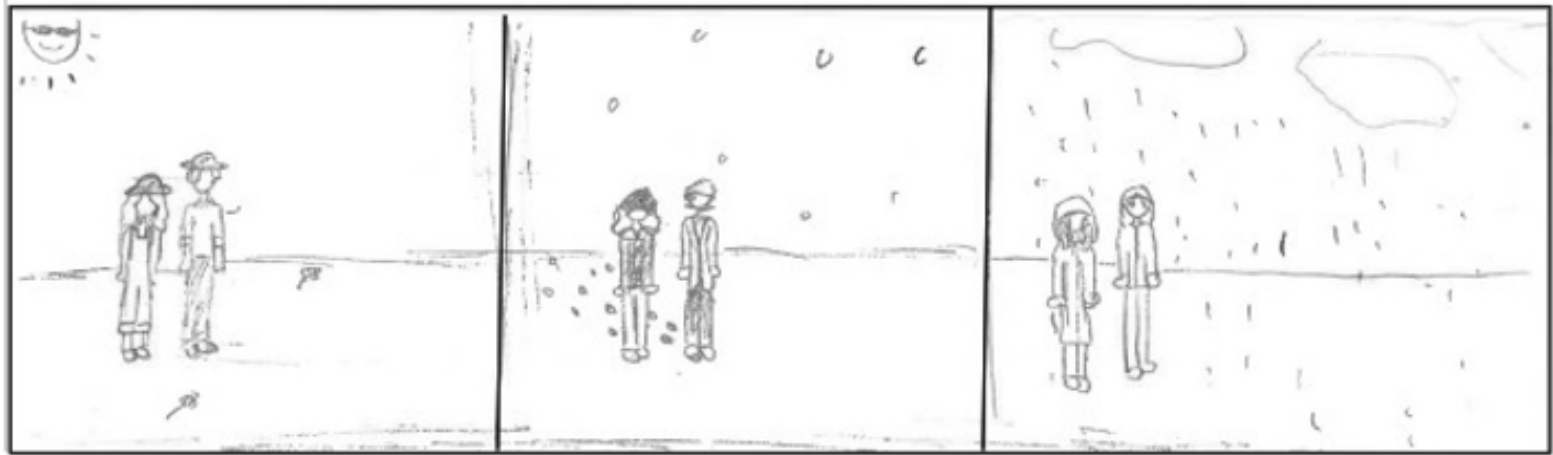

-  -Just eat your food.
-  -OK, but you will tell everything. Promise?
-  -...
-  - Come on
-  -Okay, okay, I promise.

THEY ATE THEIR FOOD.

-  -This flower takes hundreds years to grow.
 -  - Then this is a special flower?
 -  -Of course it is. You will understand when you drink this tea.
- HER WOUNDS BEGAN TO HEAL.
-  -Wow, that's amazing, but why did you sad for this?
 -  -My mom used to make this tea every day.

-  -So what happened to them?
-  -In the dark forest...
-  -So you let me go there, even though you knew that!
-  -No. You don't understand. Wolves used to be much more dangerous.
- ...
-  -Hey, the rainbow looks good. We can go now.

-  - (tiredly) Lets...get some rest. I agree.
-  - Here, eat some berries.
-  - Thanks.we're about to reach the rainbow.
Hey, there is something in this bush!
-  - There is nothing just relax

Keitha wondered what was in the bush. She approached the bush. Suddenly, something came out of the bush!! A CAT!...Yes just a cat. Keitha fell to the ground, and Jadon started laughing.

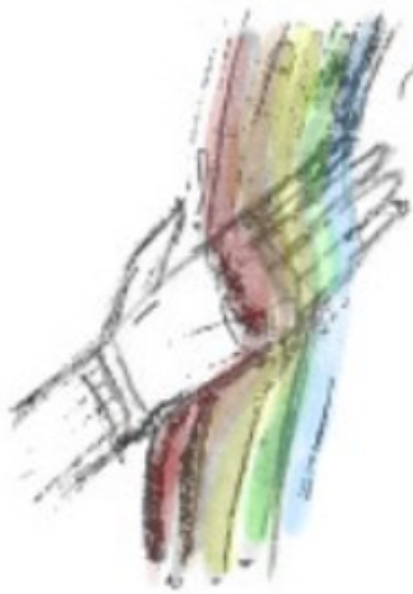

-  -Your dimples are so cute.
-  - Tha- Wait! How do you know?
-  -Because you are smiling. YES! you are smiling!

Jadon was so surprised and happy that he almost cried. Now he can turn into a rabbit whenever he wants. He thought about it and came to a decision. His family was cured of hurting something, and the curse was lifted when he helped someone

-  -Hey, are you crying? Aww
-  -snif..snif.. I'm not crying!

Keitha was very excited and had strange feelings. She considered persuading Jason to come with her. But it was a bad idea. He couldn't stay with her. Whose family wants a stranger at their house? Even if they wanted, Jadon didn't want to leave his hometown. Moreover, she doesn't know how she got here.

-  -Here we come. Look at the beauty of that rainbow.
-  -Wow! So... What should I do now? Touch the rainbow.
- ...
-  -How can that be. Were the legends a lie!?
-  -sniff..snif..
-  -Wait no! You should try again.
-  - I guess I'll never come back to my universe.

They sit by the creek nearby. Jadon starts to think Keitha looks very upset, I told her I would help her but I couldn't. And she helped me to break my curse, but I didn't do anything. Keitha washed her face...

-  -Keitha! You are disappearing.
-  -hm..
-  -I cant understand why are you still sad?
-  -I will miss you.
-  -Uh...(Jadon picked up a leaf from the ground) It reminds you of me...
(Keitha burst into tears)
-  -Hey, don't cry. (Jadon was tearful). I know my drawing is beautiful
(laughs).
-  -Take care!
-  -Goodbye....

MONKEY AND CROCODILE

Seyma Öztürk

Monkey lived in a fine fruit tree by the side of a river. He spent his days eating the fruit of the tree and swinging in its branches.

As you are under my three, that makes you my guest. Allow me to offer you food.

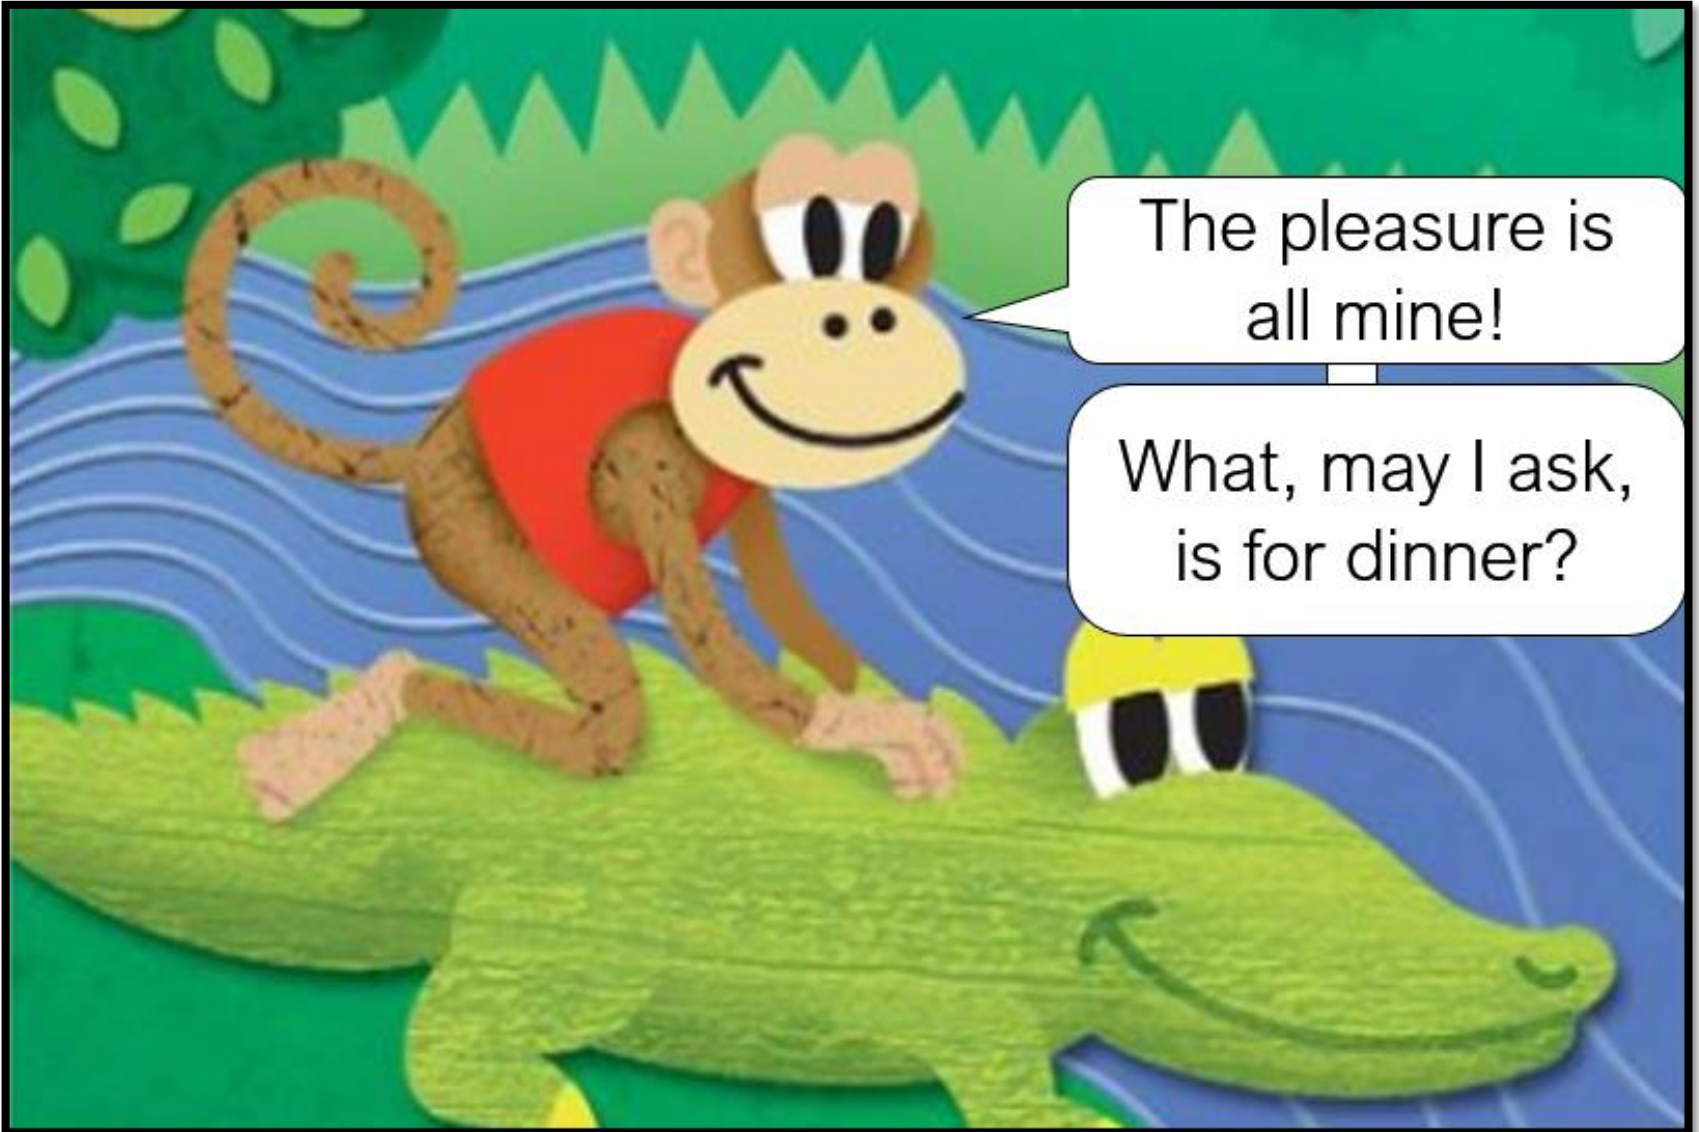

One day,
crocodile says:

Please join me. I
should have invited
you sooner.

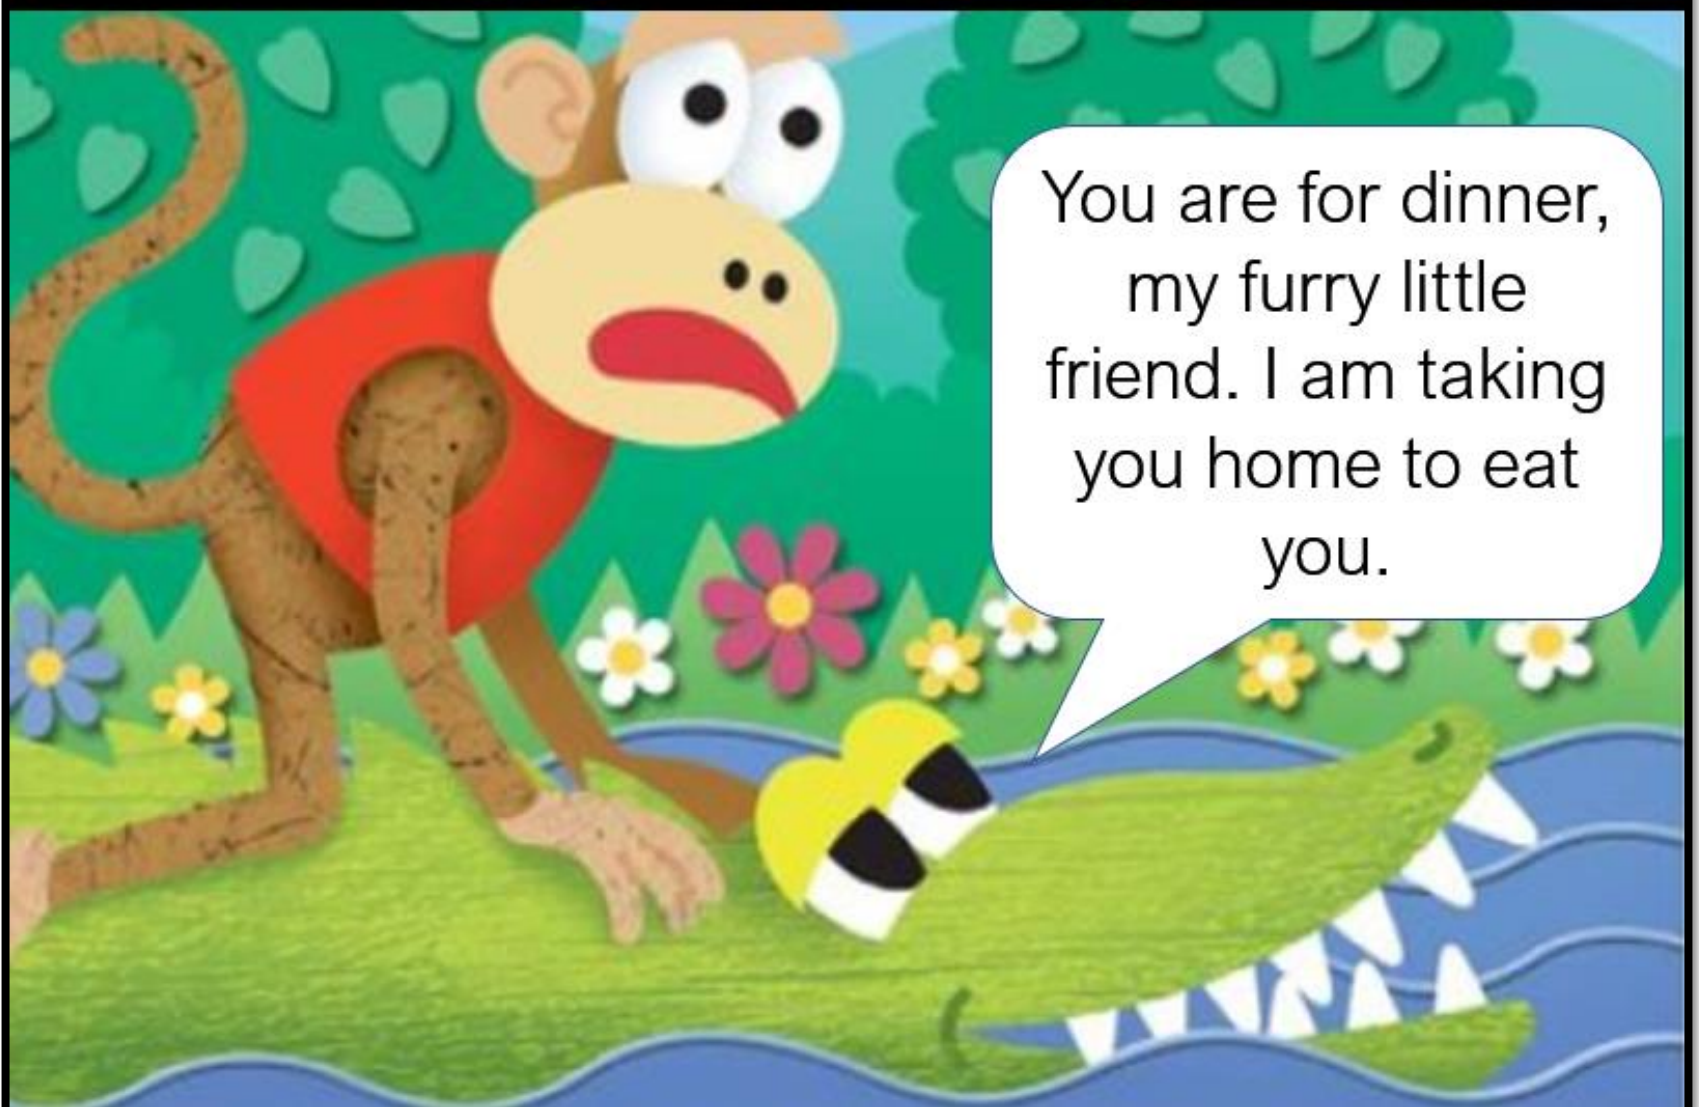

I'd love to come.
But I can't swim.
How shall I
cross the river?

Please take a ride on
my back!

The pleasure is all mine!

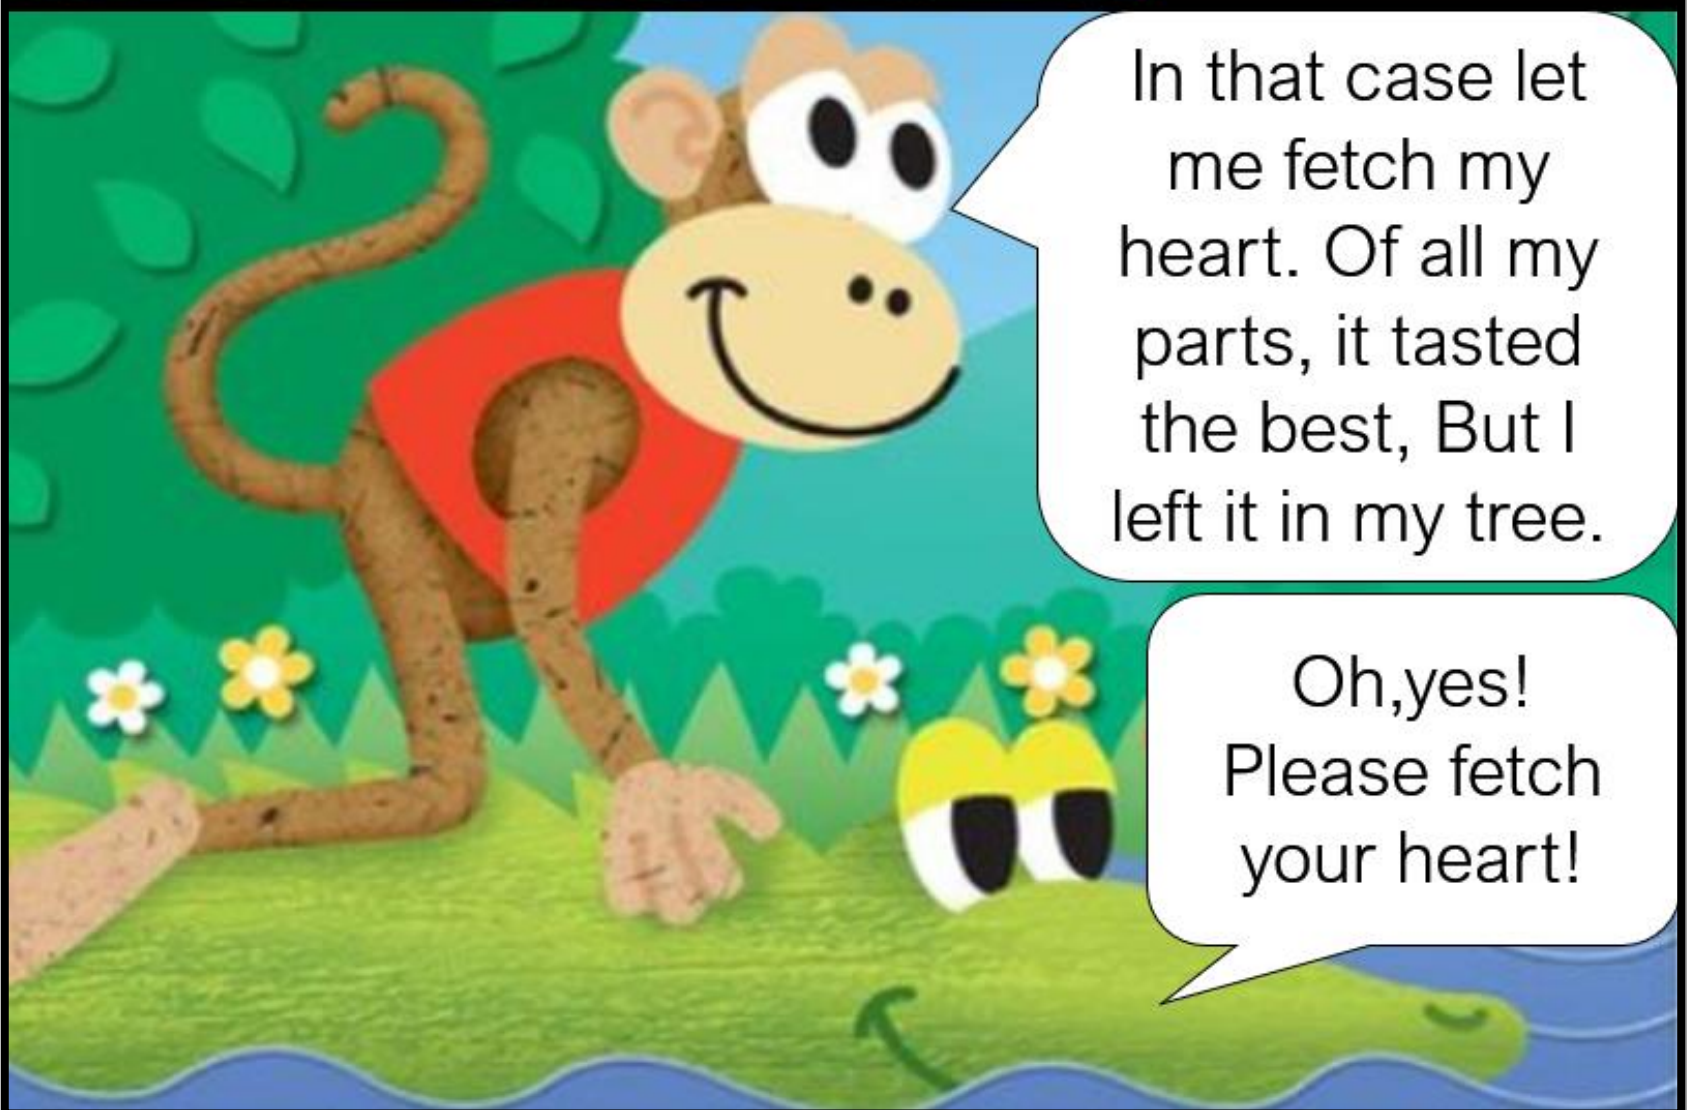

What, may I ask, is for dinner?

You are for dinner, my furry little friend. I am taking you home to eat you.

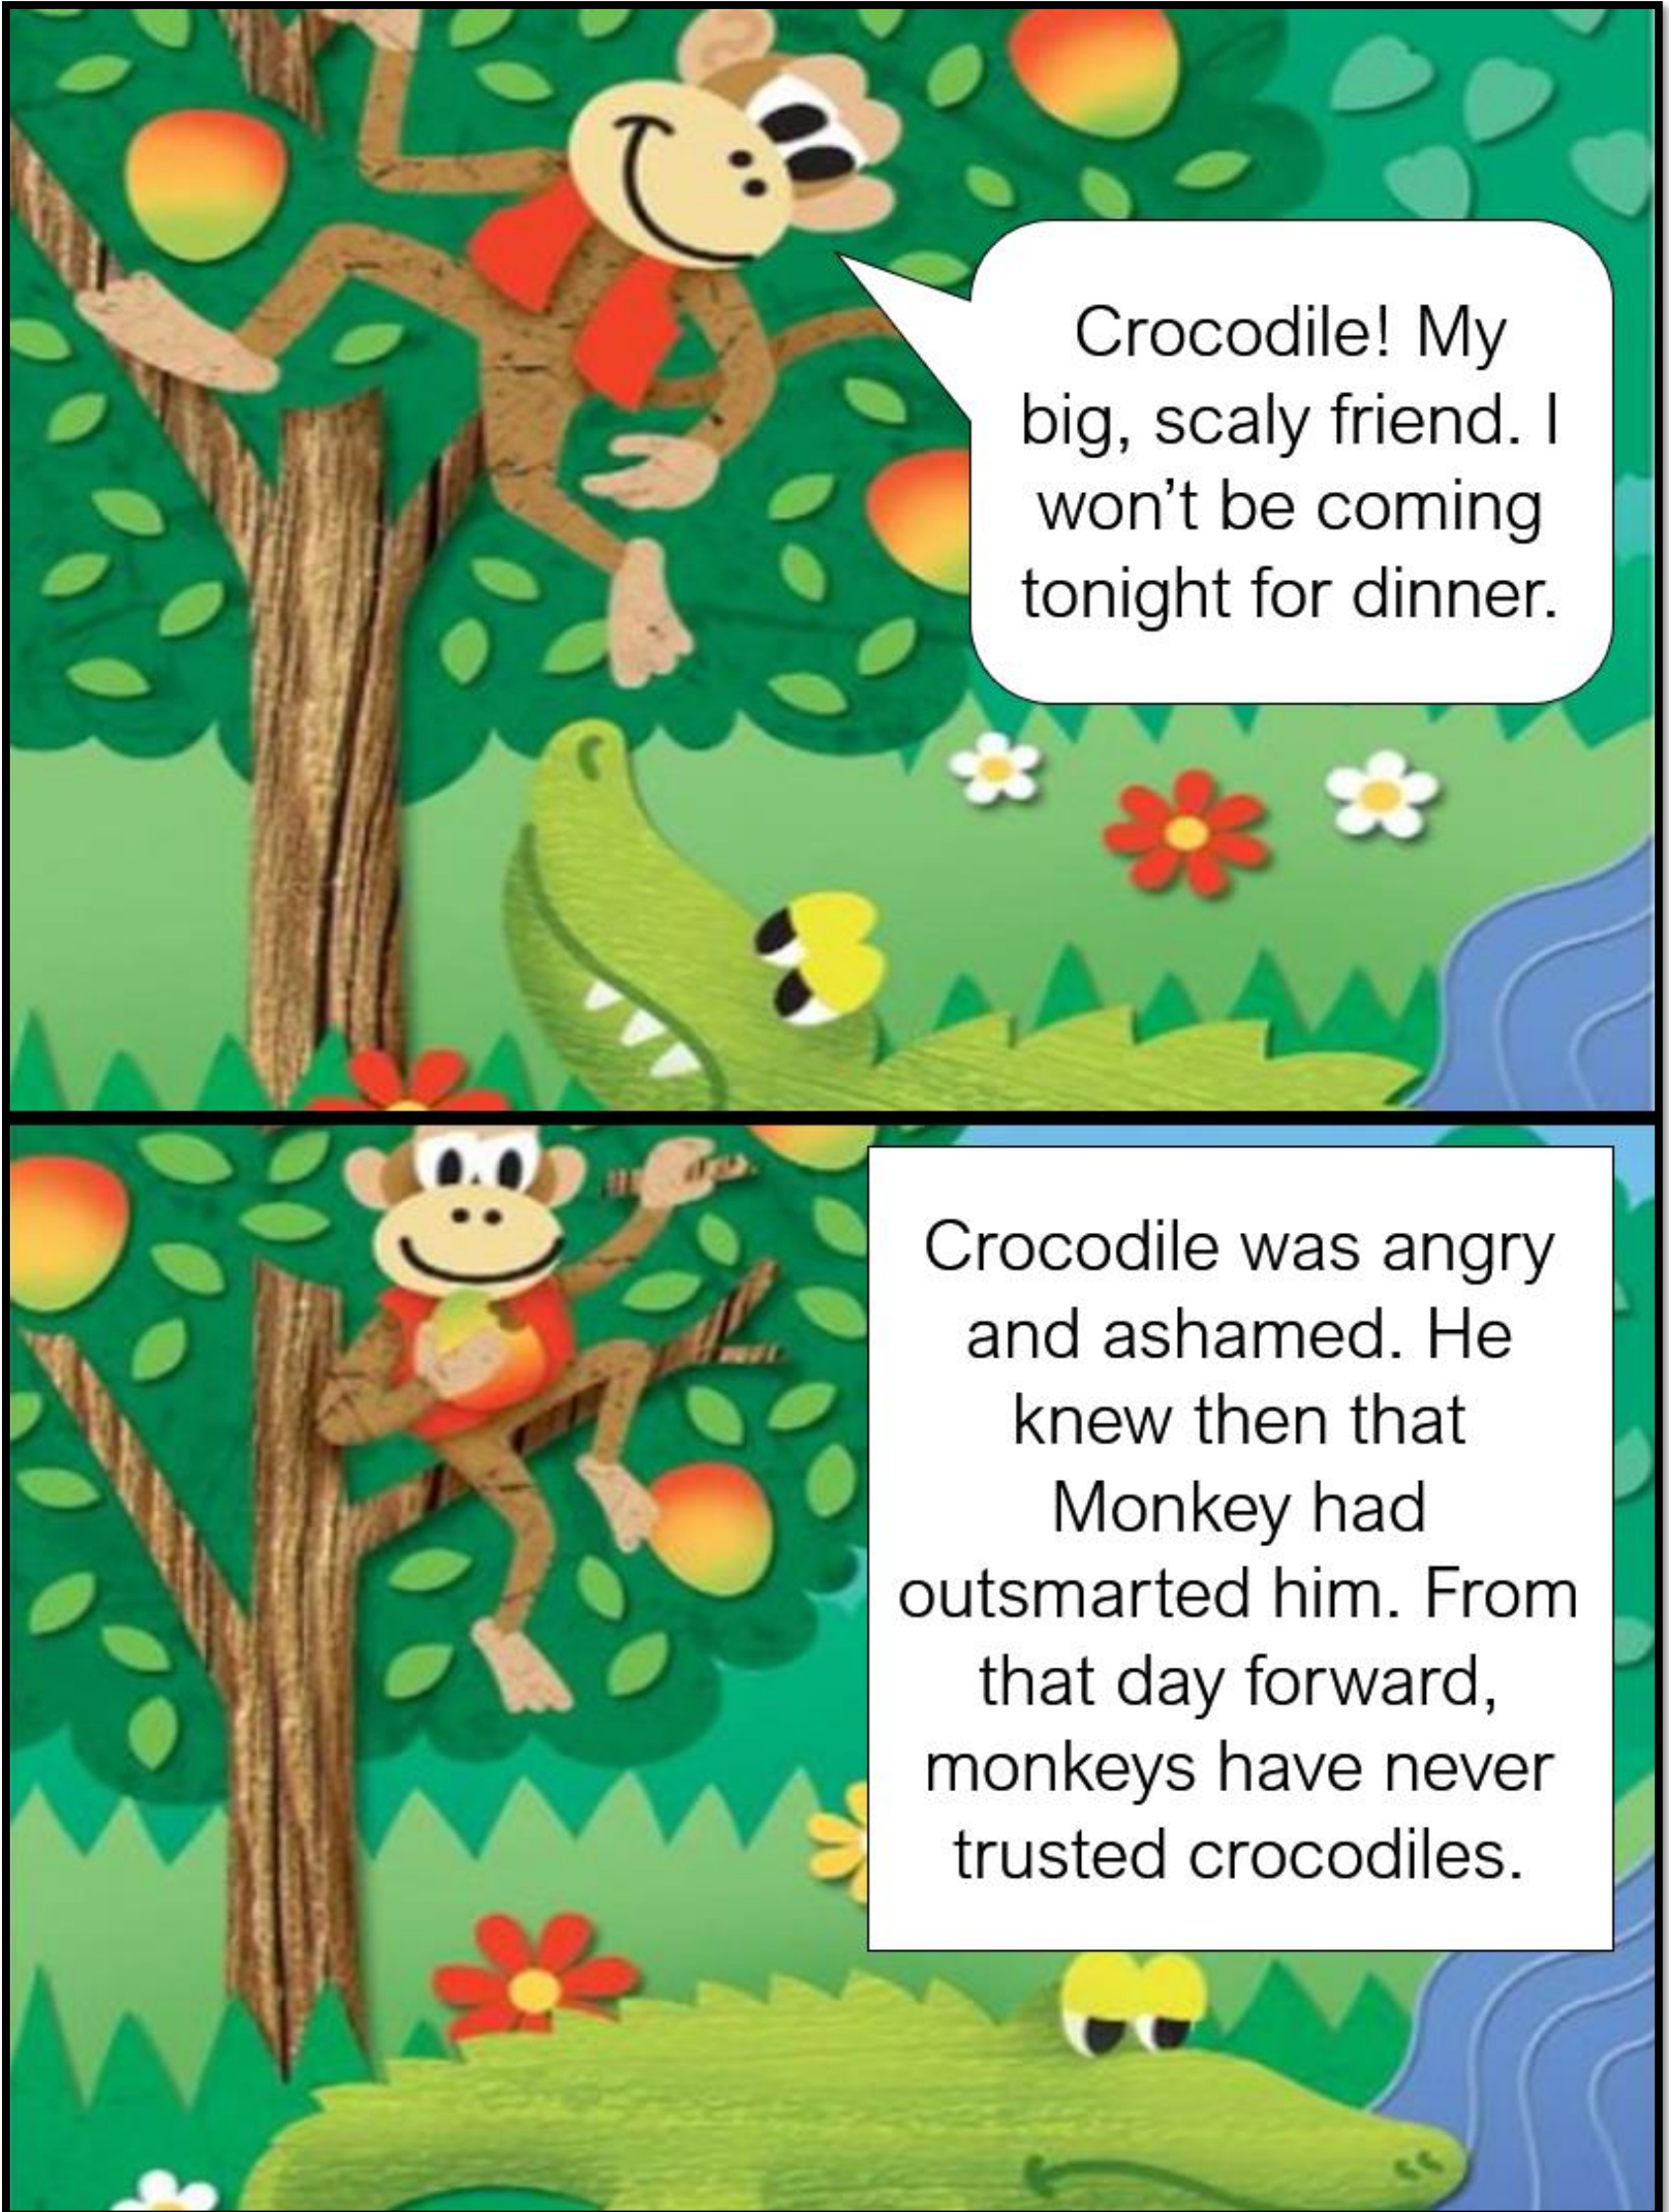

The monkey was scared to death. His heart boomed in his chest, but he kept his wits about him.

In that case let me fetch my heart. Of all my parts, it tasted the best, But I left it in my tree.

Oh, yes!
Please fetch your heart!

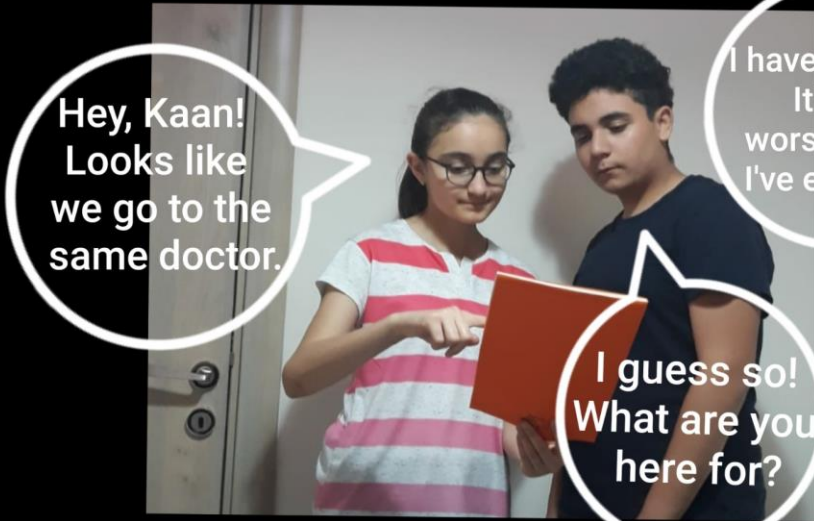

Crocodile! My big, scaly friend. I won't be coming tonight for dinner.

Crocodile was angry and ashamed. He knew then that Monkey had outsmarted him. From that day forward, monkeys have never trusted crocodiles.

Picture Day

Poppy's Picture Prep

Poppy smiled at herself in the mirror.

She was trying on her new dress for picture day tomorrow.

It was important.

Her picture would be in the yearbook forever.

In the kitchen , Poppy took a cup of punch from her mom.

Seconds later, Poppy spilled it down the front of her dress.

Poppy glanced down at the stain.
She couldn't go to picture day like this!

PICTURE FRAMED

At Dr. Chen's office, Poppy worried about her dress. Suddenly, she heard Dr. Chen say,

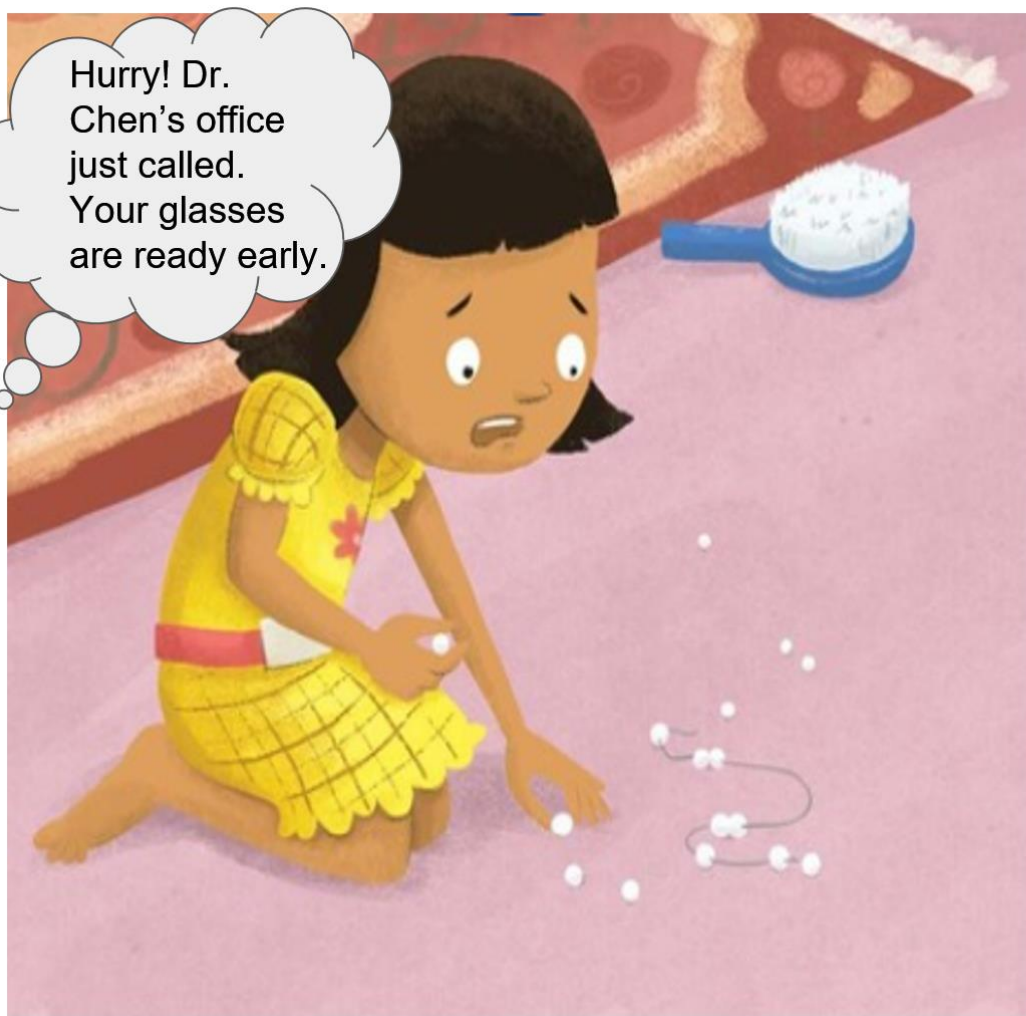

Poppy hung her head. She didn't want glasses. At least she wouldn't have to wear them for picture day.

THE BIG DAY

The next morning, Poppy grabbed her dress from the laundry basket.

She ran to get an older dress.

At least she had her necklace. As she put it on something went snap! Beads from her broken necklace fell to the floor. What else could go wrong today? Poppy's mom called upstairs.

PICTURE PERFECT

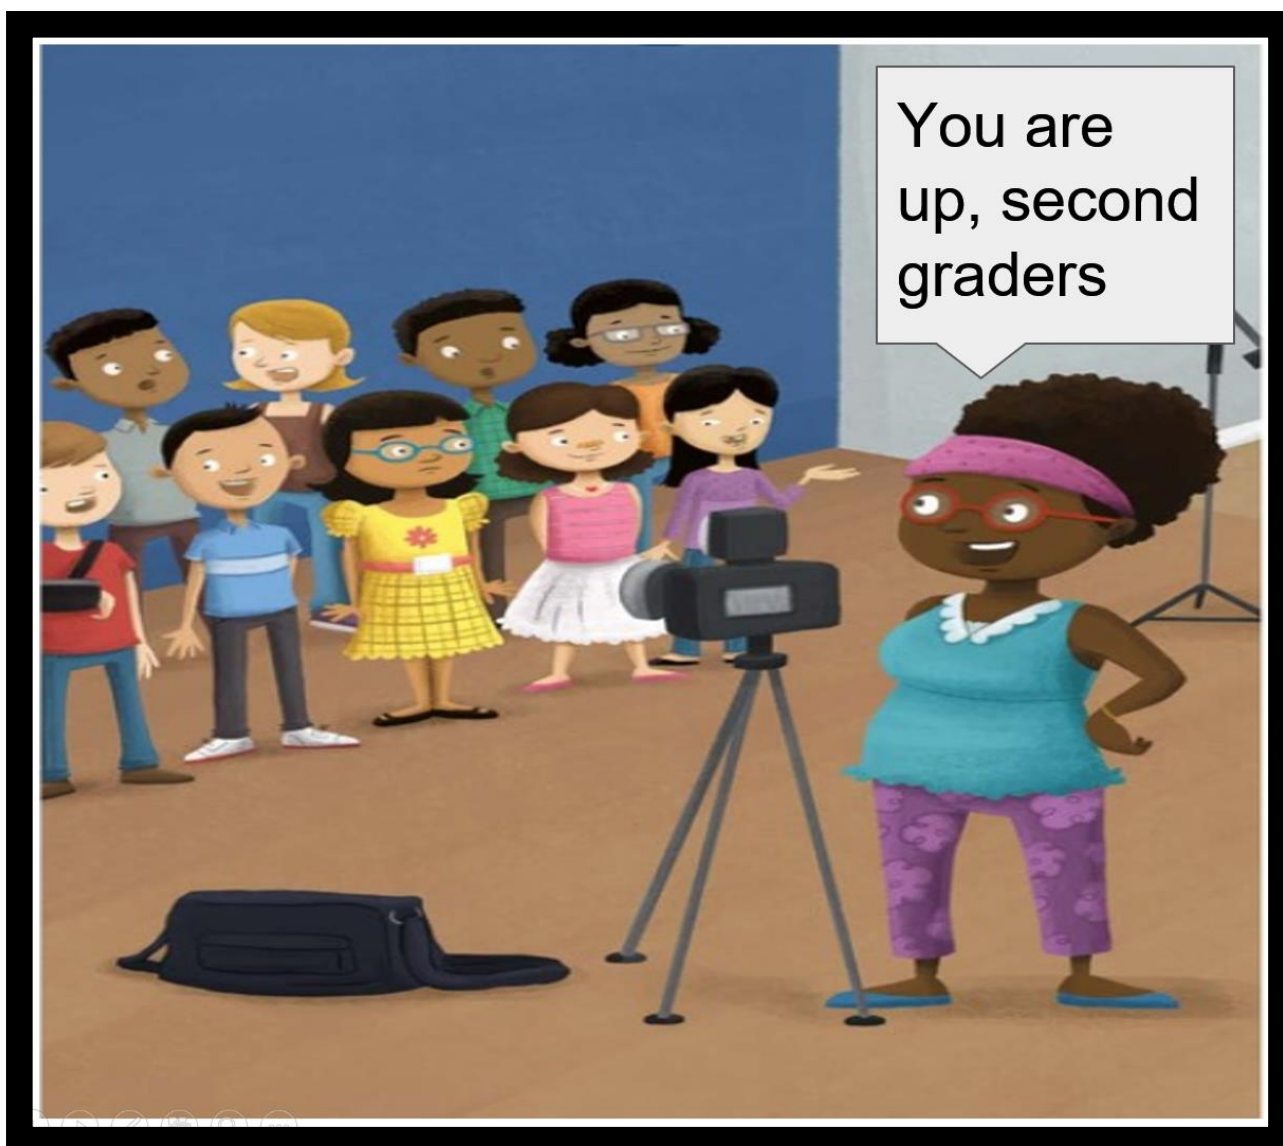

Waiting with the other second graders, Poppy fussed with her glasses. She hoped her class's turn would never come.

Beside her, Raul complained and Leah had a few missing teeth.

Rosie had a bandage across her nose.
Evan's arm was in a cast.

Poppy thought about taking off her glasses. Then, the photographer whispered,

Poppy saw her wink from behind her own red glasses. Poppy smiled and looked at her classmates. They couldn't take off a bad haircut or hide a broken arm.

They all had their differences, she realized. That's what made them special. She left her glasses on.

The photographer snapped the picture "Perfect", she said.

Picture day hadn't gone the way Poppy had planned. It had gone even better.

FAIRY TALES

Sultan Ayşe Oktay 7B

DO YOU LIKE FAIRYTALES?

Monday, do you like fairytales?

Fairy tales? Like Snow White and the Seven Dwarfs?

Yup...The Snow White and the dwarfs are so cute, aren't they?

The whole story is ridicilous, I think. The only realistic character is the queen...

Oops...You like royal stories... then, I can suppose u another fairytale... What about "Cinderella"?

Bruh...recognizing a princess by the help of a shoe?...It's so ridiculous!

You don't like women stories hmm... Maybe you might like Don Quixote?

Don Quixote?? It's for dummies... A story must be horrifying...

Horrifying?... I think the little Red Riding Hood is so horrifying...

Puhahahahah... You found this terrifying? Really? Actually I can confirm that the wolf's teeth are not bad...

Don't say to me that u don't scare from the "Sleeping Beauty"? The witch is so horrifying...

I'm not scared of witches... And I like long long claws...

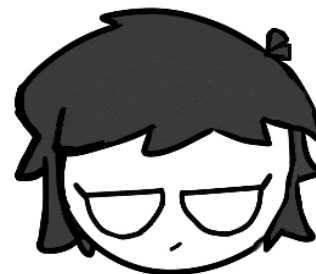

Ohh...I see.You like long things huh.Like "Rapunzel"?

I think I can't explain myself to you!

No no. I'll find one... what about "Beauty and The Beast"?

I like monsters... But not princesses.

"Hanzel and Gratel"? There's not any princesses in it.

But in the end the witch dies...Villians shouldn't die

U-don't-like-
ANYTHING!? UGH

Why are u nervous?
We're just talking

Because I asked u all
the fairy tales I know
but u didn't like any of
them.

Because I don't like
fairy tales. I just like the
VILLIANS!

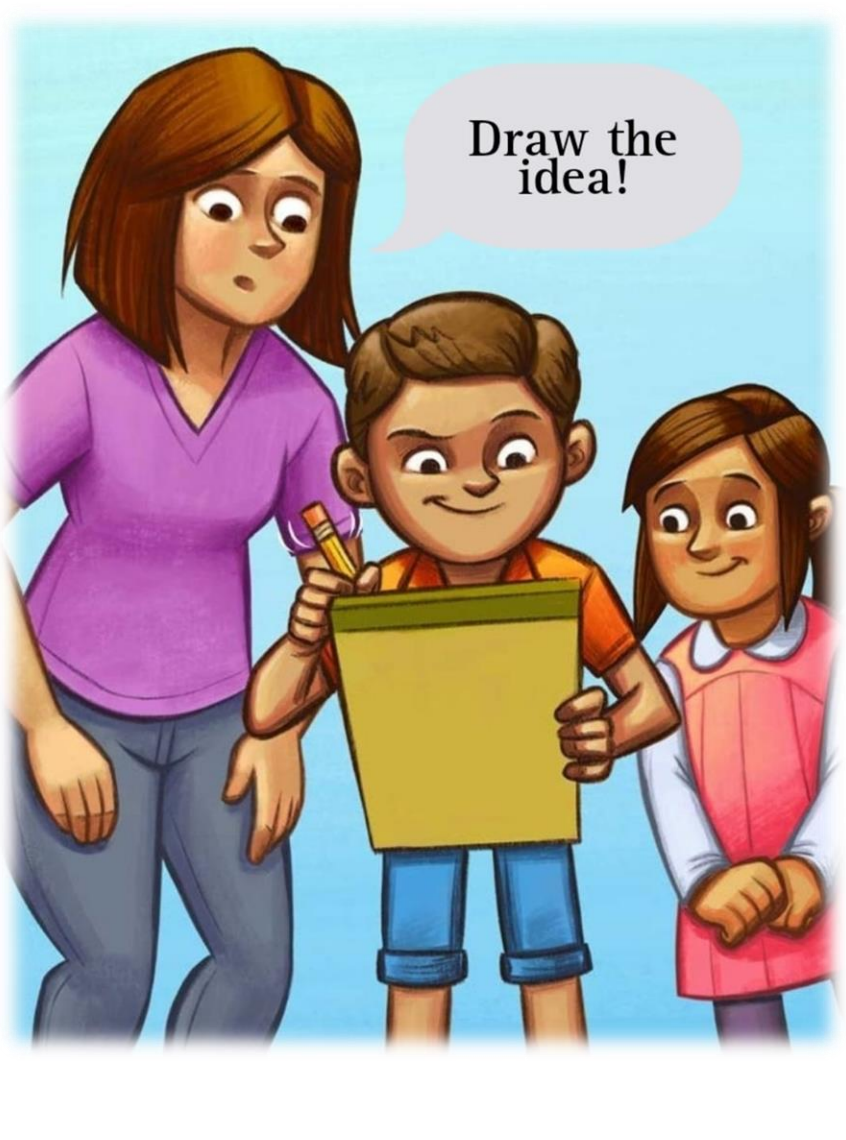

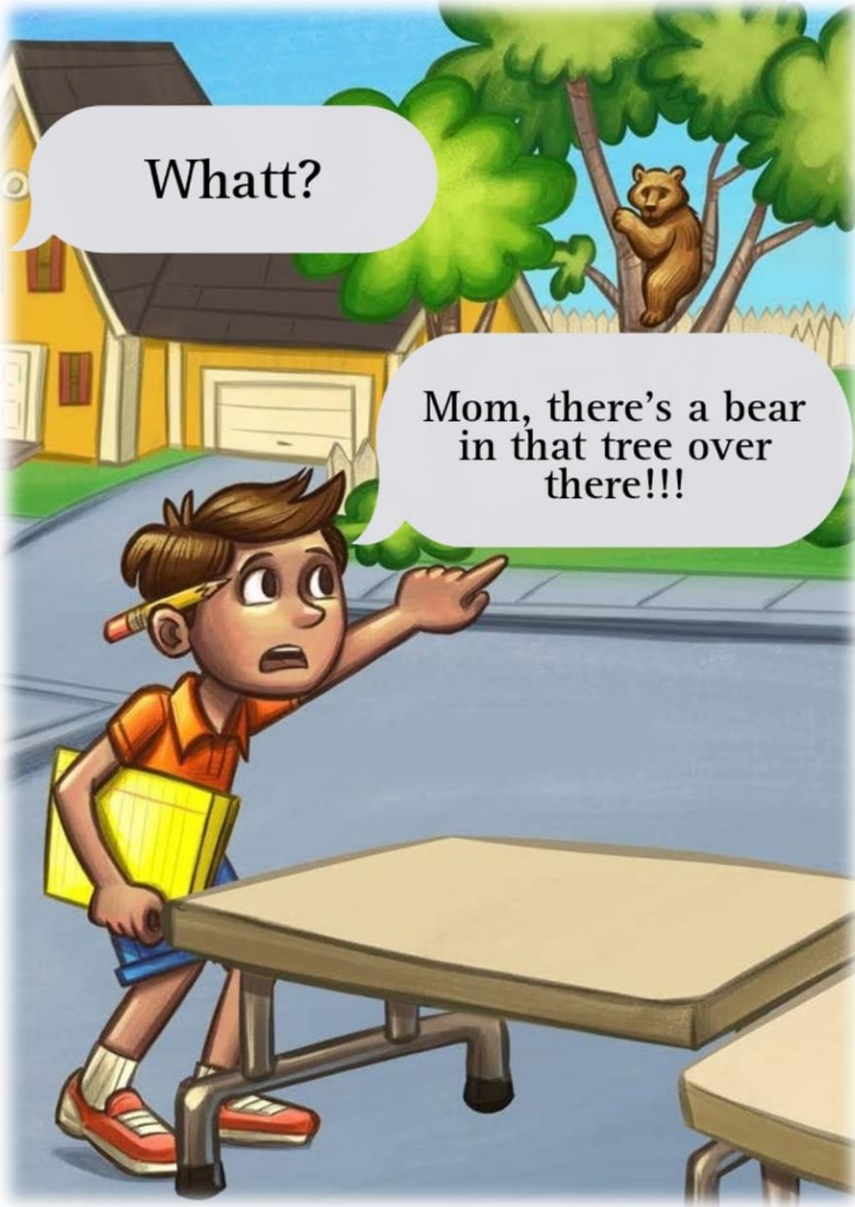

Ok, see you soon then?

Ok... Bye Sunday.

THE END

That might make things worse.

Can I see my exam paper?

As I remember, there was so much mistakes on your paper but You'll see when I bring it.

ONE DAY LATER

Teacher, did you bring our exam papers?

You said it yesterday.

Yes Efe, I brought your exams. I checked your paper, you got 45.

You can review paper in the lesson.

AFTER 4 LESSONS

Teacher, can I see my paper?

Yes teacher, I really have many mistakes.

You should study harder for the other exam and increase your score.

Make sure before you accuse anyone again.

What are you doing, mom?

You know, your dad's sick ... I'm boiling the plates so that we don't get germs too.

Do the germs come from dad, mom?

Yes, my son.

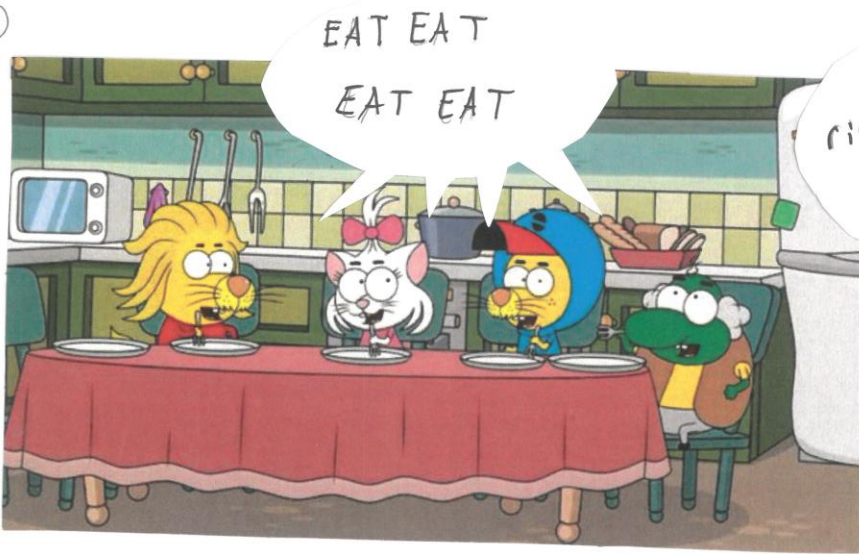

Then can't we boil my father so that all the germs die?
